Reviews "This book
teaches you the art and
science of the subject
with a systematic
approach." "This book is
useful for those who
want to learn the basic
concepts of this
subject. The book is well-

organized and the time spent on each concept is very well utilized. The contents of chapters are very clear and the whole book can be finished in three days. " "I am in love with this book and highly recommend it to all the doctors, medical

students and paramedical professionals." "This book provides a very good insight to the basic and the applied aspects of the subject." Book Review for Public Health and Community Medicine by Ilyas Ansari Mar 4, 2020 One of the

most amazing books in my view. Really eye-opening. It will create curiosity in anyone who wants to know more about this. I have no hesitation in saying that this book is a must read.
