Photoshop's Pen tools let you draw on an image and then fill in the resulting shape. You can also draw shapes and use them to create shadows and other effects. When you finish drawing, you can fill in the shape with a solid color, gradient, or pattern.

Some Popular Photoshop Brushes There's a huge variety of brushes out there that can make an image look more professional and polished. Here are some of the most popular, along with some of the more esoteric brushes that are useful in specific situations:

Clone Stamp: You can use this brush to retouch or repair defects in your photos or images. Simply use the brush to draw over the area that needs fixing and then click the Restore Defects option.

Pen Tool Brush: You can use this brush to draw and create shapes on an image. This is useful for adding background patterns, such as those used to create a sandy beach or a forest.

Texture Brush: This brush lets you apply abstract textures to a selected area of an image. For example, you can use this brush to apply faux bricks to a house.

Bucket Fill Brush: You can use this brush to paint over a selected area of your image. This brush is similar to the Brush tool, but it lets you fill the image with one color, gradient, or pattern.

Brush Tool: You can use this tool to paint over an image. It's great for adding a wide variety of textures, such as painting grass or dirt. It's also useful for adding highlights and shadows to an image.

Wash: This brush lets you create a light or dark wash of colors that you can use to bring out detail in your images or photos. You can use a light wash to make your photo look blue or green, or you can use a dark wash to make your image look brown or red. You can apply the same color or pattern to multiple layers of an image.

Vintage Brush: You can use this brush to create an aged look to your image. For example, you can use it to make an image look like it was taken in the 1800s.

Dot Color Brush: You can use this brush to quickly apply one color to your image. You can also use the Brush tool to apply a color gradient.

Heather Brush: This brush is great for adding a soft glow to your photos or images. For example, you can use this brush to add a warm glow to a person's skin.

, a dead end." "I need to get you to a hospital." "Marion, I need to go to sleep." "Oh, honey, I'm fine." "Look, why don't you just call someone?" "A friend, your mother, your minister?" "No, I don't need to call anyone." "I don't need your pity." "I'm living my life." "I'm making my own choices." "Even though, frankly, your choice has caused me so much harm." "Shut up and go back to sleep, Marion." "Marion, no!" "It's me, Rick." "We're leaving." "Not yet." "One good jump and you'll break your neck." "I can't go back." "You don't know what it's like for me." "I have no idea." "I'm here to tell you I do." "I'm gonna count to three." "One..." "I'm gonna count to three." "Two..." "Why are you here?" "Are you out of your mind?" "Why did you come back?" "To say I'm sorry." "And to tell you that I'll never leave you again." "I told you." "You can't come back." "Three." "Stop!" "Please, stop." "Just stop." "So... what are you doing out here, huh?" "I don't know." "I just..." "I don't know." "How'd you know to come here?" "I don't know." "I just..." "I guess I knew." "You came all the way out here for me?" "I wanted to see where I came from." "You know, when I first saw you, I was so angry." "You know, all I kept thinking about was beating you." "Then I thought, you know, "What's the point?" " "You're a bully." "You're never going to change." "You're never gonna be different,

just because you see the world through these eyes, you think the rules don't apply to you." "Well, if you're gonna beat me, beat me." "Take me down." "If you're gonna hurt me, you do it to my face." "You don't drag it out like this." "You're dead." "You're nothing." "You're hurt so bad." "I'm not gonna hurt you." "I'm not gonna hurt you." "Just
