Free download ansoft software. 32 bit Professional Edition. Download ansoft software for all windows from. via the instruction to pass on every case to a second jury. In determining the consistency of the verdict, it is not necessary to compare the different counts of the indictment. Where the same evidence is applicable to the different counts, it is merely illustrative of the fact that the accused has committed different crimes against society. In addition to the ground of variance in the indictment, defendant cites as error certain remarks made by the prosecutor in closing argument. We have examined these remarks and find no error in the same.
